AWARDS

Drexel University Annual Research Day University Award

Philadelphia, PA (2005)

Won 1st prize in the category of *Creative Arts/Design: Undergraduate* for a 2 minute CG animation called "a smoke and a drink." This award-winning group project involved extensive 3d modeling, animation, and particle / fluid effects using Alias Maya. 3d objects were textured using Adobe Photoshop. Final piece was composited together in Discreet Combustion.

Drexel University Annual Research Day Dean's Award

Philadelphia, PA (2005)

In addition to University Award, the project also won a Dean's Award in the category of *Media Arts & Design: Undergraduate*.

Communicator Award

Philadelphia, PA (2005)

Won a Communicator Award for "Being Julia" flash website produced for Sony Pictures Classics. Site was designed using Photoshop, sliced using Image Ready, and developed in Macromedia Flash while incorporating intensive Action Script programming. View site at <http://www.beingjuliamovie.com>
